DID YOU KNOW...?

Concert ticket revenue alone does not cover all the expenses of a community orchestra?

At the BSO, ticket sales only generate 40% of the necessary revenue to cover programming and allow us to continue to bring beautiful music to the Burlington and Hamilton area.

To do this, we rely on a variety of sources including donations from patrons like you. Please consider joining our "Friends of the Symphony" program. Your contribution will play a significant role in keeping your beloved BSO playing the music you love.
